Gang Prevention & Intervention

News

Hello!

We pray that everyone is having a Blessed Summer. It has been a very busy summer, We Expanded at the end of May into the Church building next door, so we now have both sides of the building and have been doing some remodeling on the new side. We had help painting, Kingdom Construction tore down a wall to combine the two kitchens for us. We are so thankful to those that helped physically and financially make this possible. Our Board, Our Donors, and Kingdom Construction for all the labor and Prayers that opened the doors!

We have a Sanctuary now that fits up to 100 or more people, and we have 4 additional classrooms to offer a computer lab, library/coffee & drinks/café, a Conference room, and another large Classroom for groups. With the bigger space we are in need of things to fill it, so we are looking for a nice couch or loveseat, folding chairs we need about 50 more, as well as folding tables.

Also on the 29th of this month is our Youth Revival, we have been doing outreach and have passed out about 1,200 flyers so far we still have 1,200 left to pass out. We hope to get the word out over the next two weeks so we will have a good outcome and reach many more youth and families in need of Hope and Change! The Flyer is below please help us invite people. It will impact and bless all who come. These talented artist have a heart for people and want to bring Revival to our city. It has also been announced on Q102.7 you might have heard it on the radio. We hope to see you all there! Thank you for your continued support and Prayers for this Ministry! God Bless

Success Stories

We have a young man that is going to be starting his internship with us through the Pikes Peak workforce he has been very determined to do all that is required of him to get his foot in the door and gain experience so he can reach the goals he has set. Keep him in Prayer!
